

# Reproductive System Puzzle

Read each clue and fill in the correct answer. Your answer must fit into the correct number of boxes. Where a vertical answer crosses with a horizontal answer, they share a box with the same letter.

## Across

5. The place where a baby develops
7. Forceful release of semen from the penis
8. Time in life when a woman's menstruation ends
9. Ducts connecting the ovaries to the uterus; fertilization takes place here (two words)

## Down

1. Passing of semen during sleep (two words)
2. Release of an egg from an ovary
3. Place where sperm is produced
4. A thick fluid that is discharged from the penis during ejaculation
6. The process by which a child's body develops rapidly toward becoming an adult body and being able to reproduce
7. Hardening of the penis
