

CHECKLIST FACILITATION HOMEWORK

1. What participative learning methods have been used in this lesson? Please use the overview of participative methods and the checklist.

Method (see overview methods)	If I would be facilitating this method, key considerations for me would be:

2. What were the focal points of each lesson?

Picture yourself facilitating this lesson:

3. What would you do the same as your tutor?
4. What would you do differently?
5. What should you know more about the contents of this lesson before being able to facilitate it?
6. Which skills should you practice more before being able to facilitate this lesson?
